

5400 Gatewood Dr. Sterling Heights, MI 48310

Phone: (248)786-3000

WELCOME

Thank you for inquiring about our company and services. In this welcome letter we tell you a little about who we are and what we do!

VMC Technologies was founded in 2001 as a full-service CNC machine tool distributor. As long-standing members of the Association for Manufacturing Technology we service and sell quality machines to the automotive, aerospace, defense, energy, medical, die/mold industries as well as locally owned machine shops in and around Michigan. VMC has placed itself in a class of its own as Michigan's Premier Machine Tool Dealer and Service Provider.

We Proudly Represent:

VMC

Our Facility

Come visit our SHOWROOM! No commitment. No Pressure.
We have machines here ready for you to come view or demo and we look forward to meeting you!
